

THE JAMES E. DALEN DISTINGUISHED LECTURE FOR HEALTH POLICY

The endowment for the James E. Dalen Distinguished Lecture for Health Policy supports a series of visiting professors in health policy. These distinguished scholars offer lectures and discussions to our campus community and to the public on local, state, national and international health policy issues and connect the academic world with the “real world” of public health.

Below is a snapshot of past lectures.

2008 SPEAKER

Julio Frenk, MD, MPH, PhD

Currently the Dean and Professor of Public Health and International Development at the Harvard School of Public Health
